

IGE+XAO announces the launching of SEE Web Catalogue, an online portal for electrical equipment catalogue.

Hannover, Germany, April 10, 2014

At the occasion of the Hannover Fair, the IGE+XAO Group announces the launching of SEE Web Catalogue, an Internet portal giving access to electrical equipment and symbols catalogues.

Representing today over 700,000 references sold by more than 900 suppliers as well as 20,000 symbols dedicated to these references, SEE Web Catalogue is already available in several languages: German, English, Spanish, French, Dutch, Italian and Polish.

Integrated with all the Group packages, SEE Web Catalogue offers numerous functionalities including a powerful search engine, advanced filtering possibilities as well as strong ergonomics in terms of performance and ease of use.

In addition to the available hundred thousands references, SEE Web Catalogue also provides access to personalized services (SEE Part Libraries) by proposing companies with symbol and catalogues on-demand creation.

For Alain Di Crescenzo, Chairman and CEO of the IGE+XAO Group, "SEE Web Catalogue provides a strong service to the Group users. Our objective is to provide our customers with a full range of services so that they can concentrate on the design, manufacturing, installation and maintenance of their installations."

ABOUT THE IGE+XAO GROUP

For over 27 years, the IGE+XAO Group has been a software publisher designing, producing, selling and ensuring the maintenance of a range of Computer Aided Design (CAD) and Product Lifecycle Management (PLM) software. These software products have been designed to help manufacturers in the design and maintenance of the electrical part of any type of installation. This type of CAD/PLM is called "Electrical CAD/PLM". IGE+XAO has built a range of Electrical CAD/PLM software designed for all the manufacturers. At 31 July 2013, IGE+XAO employed 373 people around the world on 26 sites and in 17 countries, and had 70,000 licences. IGE+XAO is a reference in its field.
